FIGHT FOR FUNDING/FIGHT FOR \$15

Demand Billionaires, Banks and Corporations
Pay Their Fair Share.

March with Striking Fast Food Workers, Teachers, Students,
Community, and Unions to Fight For Funding for Illinois

4:00PM: **KEN GRIFFIN PENTHOUSE, 800 N MICHIGAN AVE:**

Ken Griffin is **the richest man in IL** who **spent millions to elect Rahm and Rauner**. He got a **\$16 Million tax break from Rauner** and is **advocating more school closings**.

4:45PM: **BANK OF AMERICA, 515 N LASALLE:**

Big Banks like Bank of America are taking over **\$2 Billion in profits from IL taxpayers, our city & our schools**. Bad bank deals called toxic swaps **took over \$500 Million for CPS**.

5:00PM: **ROCK & ROLL MCDONALD'S, 600 N CLARK:**

Poverty wages at McDonald's cost IL tax payers **\$368 Million per year**. Join **Striking McDonald's workers** in their demand for **\$15 & Union Rights** so that we can **use that \$368 Million for our schools and Black & Brown Communities**

"McDonald's costs us tax payers \$368 Million dollars every year. I believe that \$368 Million should go to Chicago State University, North Eastern IL University, and our Chicago Public Schools, not Billion Dollar McDonald's. Join me on April 14th to Fight For Funding!"

-Adriana Alvarez, McDonald's Worker
